Wears Out the Nerves.

Do you realize that pain is weakening, and exhausts your vitality? Don't you remember how completely worn out you felt after that last attack of headache, neuralgia, backache, periodical or other spell of suffering? Nearly every case of inflammation, apoplexy, paralysis, epilepsy and insanity is directly due to the weakening influence of pain upon the brain nerves? For this reason every one who suffers from pain of any kind should not fail to get relief as quickly as possible.

You can do this by taking Dr. Miles' Anti-Pain Pillsothers do.

others do.

"I have used Dr. Miles' Anti-Pain Pills for years, and can say they have never failed. I always keep them in the house, in fact I had rather be without sugar than the Pills. Previous to using them I had always suffered with sick headache, sometimes being in bed for three and four days. I had tried nearly everything I ever heard of: some would seem to help at first, but after a short time the effect would wear off. It is five years how since I began taking Dr. Miles' Anti-Pain Pills, and the results are as good as at first."

THE REAL TEST

Of Herpicide Is In Giving It a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vigors may look also and smell nice, but the point is—do they eradicate Dandruff and stop failing hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people every-where are daily proving that Newbro's Herpicide stands the "test of use." It is a delightful dressing, clear, purand free from oil or grease.
